

**Calling All Golfers!**

We hope you can join us for the 14th annual NHADA Golf Outing on Friday, August 10th at Canterbury Woods Golf Club to help raise funds for the NHADA Scholarship!

Each year, because of this fundraiser the NHADA can award a male and female from each division in the state a scholarship to assist the student-athlete in their future endeavors. Seniors from all across the state are encouraged to write essays explaining how athletics helped carve their high school career. In many cases, the student-athletes explain how they have battled significant adversity through high school. We have had the opportunity to read and hear stories of lost family members and cancer stricken student-athletes that used athletics as an outlet and motivating factor to push on each day. It is truly inspirational to hear what some of these 14-18-year old's have already accomplished.

To celebrate these students and financially help their futures we need your help! Please help us celebrate these student-athletes by getting involved in this outing by either joining us to play a round or consider selecting one of our sponsor levels.

Thanks for your consideration and hope to see you on the 10th!

Corey Parker
