

## Calling All Golfers!

We invite you to join us for the 15th annual NHADA Golf Outing on Thursday, August 8th at Canterbury Woods Country Club to help raise funds for the NHADA Scholarship.

Each year, this fundraiser financially supports one male and one female from each division in the state with a scholarship to assist the student-athlete in their future endeavors. Seniors from across the state are encouraged to write essays explaining how athletics impacted their high school career. In many cases, the student-athletes explain how they battled significant adversity through high school. We have had the opportunity to read and hear stories of lost family members and cancer stricken student-athletes who used athletics as a vehicle to motivate them to push through each day. It is truly inspirational to hear what these student-athletes have already accomplished in their short lives.

To celebrate these students and financially assist in their future endeavors we ask for your help! Please join us in celebrating these student-athletes by participating in this outing.

You may join us by playing a round or by selecting one of our sponsor levels.

Thank you for your consideration and we hope to see you on August 8th.
